THE TRANS AMERICA ATHLETIC CONFERENCE

AN AUTOMATIC BID

Trans America Athletic Conference baseball teams will again battle for a league crown this spring with the champion earning an automatic berth in the NCAA Tournament. The TAAC regained its automatic invitation to the NCAA's in 1987, after a four-year period (1983-86) without the bid. The league was first granted a bid in 1981.

"Having the automatic bid is a big lift," said Centenary coach Andy Watson. "Every game is important, and the league games certainly take on more significance. The bid also helps in recruiting because most kids want to play where they can participate in a playoff (NCAA) format."

Last year TAAC champion Georgia Southern participated in the South Atlantic regional going 2-2, beating Miami before bowing out to South Alabama.

The winner of the TAAC Baseball Tournament, to be held at the site of the Western Division Champ on April 28-30th, will go to the NCAA's. The top two teams in each division will meet in a double elimination format to decide the 1988 TAAC Champion.

HEAD COACH ANDY WATSON

ANDY WATSON

Ht: 6-1

Wt: 190

Birthdate: 7-31-60

Marital Status: Married

Hometown: Guthrie, Oklahoma

In June of 1984 Andy Watson became the eleventh baseball coach in Centenary baseball history upon the retirement of the man he played for as a Gent — James Farrar. Watson served as Farrar's assistant for two seasons after he finished his playing days at Centenary and professionally.

Watson played one season of professional baseball with the Pittsburgh Pirates Class A affiliate Greenwood, South Carolina. He was drafted in 1982 by the Pirates in the 14th round as in infielder.

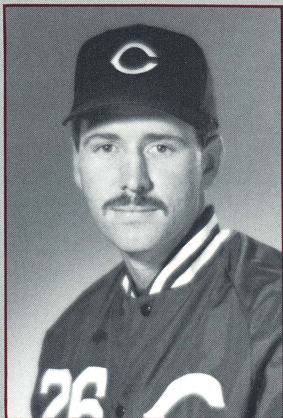

At Centenary, the Guthrie, Oklahoma native holds two records: home runs in a season (13) and career runs scored (121). Watson, who started for four consecutive years, is also high on the list of numerous other career batting categories.

Now 27, Watson graduated from Centenary in May, 1984 with a B.S. in Physical Education. After three seasons at the helm of the Gent program, Watson owns a 73-78 overall record.

"Coach Farrar was the man responsible for building our program to where it is today, both on and off the field. My job the last three years has been to try to build on that foundation and I think we've worked hard at doing that."

"I know I'm still considered a young man to be a head coach at my age (27) at the Division I level," added Watson, "but I look at it as an advantage rather than a disadvantage. I understand the players' lingo and the pressure placed on them both in the classroom and on the field."

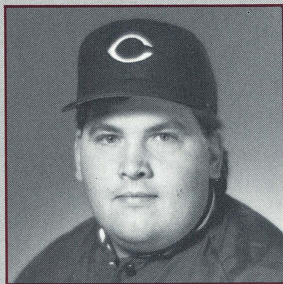

Watson married the former Laura Luff in January of 1986.

ASSISTANT COACH STEVE MURRAY

Steve Murray, who pitched collegiately at Gannon University (1981-84), is in his first year as assistant baseball coach at Centenary. Murray graduated from the Erie, Pennsylvania school in 1985 and is currently working on a Master's in Sports Administration from the U.S. Sports Academy.

Murray coached American Legion Baseball in his hometown of Emporium, PA. The 24-year old is single and also doubles as Centenary's athletic trainer.

PAT BOORAS SPORTS INFORMATION DIRECTOR

In his fourth year as the Sports Information Director at Centenary, Pat Booras handles all media and publicity releases of Gent athletes.

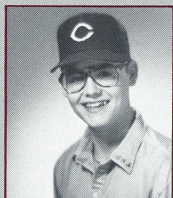

Booras officially joined the Centenary Staff in September of 1984, but his ties with the school and its athletics begin in 1979. As a Centenary student, Booras worked in the sports information office for four years, traveling with the Gent baseball team as its statistician.

Booras, 26, graduated with honors from Centenary in May of 1983 with a bachelor's degree in accounting. He worked for Roberts, Cherry & Co. CPA's until his appointment at Centenary.

A native of Shreveport, Booras covered high school football in the Shreveport-Bossier area from 1978 to 1984 for *The Times* and still occasionally free lances. Booras worked with KRMD Radio in 1983 as an analyst for its high school football broadcasts, and in the spring of 1985 his daily sportscast aired on KVKI Radio.

Booras has also handled the play-by-play broadcast of numerous Centenary basketball games on KEEL Radio the past three years, as well as hosting the *Tommy Canterbury Show* on KTAL-TV 6 this past basketball season. He recently completed his fourth season of football play-by-play with Cedar Creek High in Ruston, Louisiana.

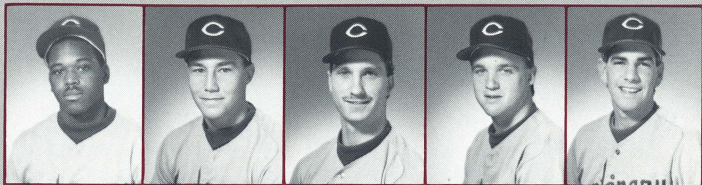

DUANE McCAIN TRAINER

Duane McCain is in his third year as a student trainer at Centenary. He works closely with the Gent baseball, soccer and basketball teams.

Always a sportsman, McCain is the visiting clubhouse attendant for the Shreveport Captains (San Francisco Giants AA affiliate) during the summer.

A Woodlawn High graduate in 1985, McCain, 20, is majoring in physical education.

GENTS ON KSCL (91.3 FM) RADIO

For the seventh consecutive year Centenary baseball games will be broadcast on KSCL Radio, 91.3 FM. Pat Booras and Keenan Roberts and Nick Nolfie make up the Centenary broadcast crew as they provide insight and entertainment as well as the play-by-play for 11 Gent games this season. Games to be aired during the 1987 season include contests with LSU, Louisiana Tech, Northeast, Northwestern, Baylor, Arkansas and TAAC rivals (Hardin-Simmons and UALR).

All games to be broadcast are the first games of doubleheaders, when applicable. Try to make it out to all the Gents' home games this season, but if you can't be sure to tune in to KSCL Radio, 91.3 FM, for all the exciting action of college baseball.
